

# Call for Papers

16th IFAC Conference  
on Control Applications  
in Marine Systems,  
Robotics and Vehicles

**CAMS 2025**  
August 25-28  
Wuhan, China

It is our pleasure to invite you to the 16th IFAC Conference on Control Applications in Marine Systems, Robotics and Vehicles that will be held from August 25 to 28, 2025, in Wuhan, China.

## IMPORTANT DATES

### INVITED SESSIONS

Feb 21, 2025–Mar 31, 2025

### NOTIFICATION OF INVITED

### SESSIONS

Feb 28, 2025–Apr 7, 2025

### CONTRIBUTED PAPERS DUE

Mar 21, 2025–Apr 21, 2025

### NOTIFICATION OF ACCEPTANCE

May 19, 2025

### FINAL PAPERS DUE

July 7, 2025

## BACKGROUND AND SCOPE

CAMS 2025 has the topic of “Intelligent marine system for blue economy” covering all the aspects on the field of advanced marine robotic and offshore platform design, manufacturing, testing, and applications. The conference welcomes contributions on the latest theoretical and/or practical research development of control applications into marine robotics such as autonomous surface vehicles (USVs), remotely or autonomous underwater vehicles (ROVs/AUVs), deep-sea equipment, marine renewable energy system, offshore platforms, and good solutions to challenges in marine science, marine engineering, deep-sea exploration and development, and aquaculture and other applications.

## SUBMISSION

All submissions are handled via the [PaperCept platform](#). Papers need to be formatted according to the [IFAC Author Guide](#). Draft papers are limited to 8 double-column pages. Final papers are restricted to 6 pages.

## INTERNATIONAL PROGRAM COMMITTEE

**IPC Chair**            **Craig Woolsey**  
VIRGINIA TECH, USA

**IPC Vice-Chair**    **Andrea Monteriù**  
UNIVERSITÀ POLITECNICA DELLE MARCHE, ITALY

**IPC Vice-Chair**    **Nikola Mišković**  
UNIVERSITY OF ZAGREB, CROATIA

## NATIONAL ORGANIZING COMMITTEE

**NOC Chair**            **Xianbo Xiang**  
HUAZHONG UNIVERSITY OF SCIENCE AND  
TECHNOLOGY, CHINA

**NOC Vice-Chairs**    **Gong Xiang**  
                                  **Shaolong Yang**  
HUAZHONG UNIVERSITY OF SCIENCE AND  
TECHNOLOGY, CHINA

**Editor**                **Yang Qu**  
HUAZHONG UNIVERSITY OF SCIENCE AND  
TECHNOLOGY, CHINA

## VENUE

HUST

Conference Venue

Conference Hall

Meeting Room

## TOURISM

Three Gorges Dam

Yellow Crane Tower

Yangtze River Bridge

Guiyuan Buddhist Temple

## COPYRIGHT CONDITIONS

All papers must comply with [IFAC Copyright Conditions](#).
