

The 16th IFAC Symposium on Analysis, Design and Evaluation of Human-Machine Systems (IFAC HMS 2025)

Conference Announcement

Dear Experts and Scholars,

The 16th IFAC Symposium on Analysis, Design and Evaluation of Human-Machine Systems (IFAC HMS 2025) will be held from **November 18-21, 2025, in Beijing**. This conference will provide a leading international academic platform for experts, scholars, and industry professionals in the fields of automation, information, and intelligent science worldwide to present innovative achievements and discuss future developments. It aims to enhance interdisciplinary integration across various fields (including hot topics such as human-computer interaction, embodied intelligence, robotics, brain-computer interfaces, etc.) and lead the advancement of automation, information, and intelligent science and technology.

The organizing committee sincerely invites you to attend the conference amidst your busy schedule. Thank you for your support!
