On behalf of the National Organizing Committee (NOC) and of the International Program Committees of the Joint IFAC Meeting: 11th IFAC Symposium on Robust Control Design (ROCOND 2025), 6th IFAC Workshop on Linear Parameter varying Systems (LPVS 2025), we are delighted to welcome you in Porto, the capital of the Port Wine, Portugal, from the 2nd to the 4th of July 2025.

The event presents the current state of the art and most recent advances in the theory and industry applications of a large intersection of topics in the field of robust control and linear parameter varying systems. It is also a forum for researchers from a wide variety of different scientific areas and application fields.

Keynote talks by

António Pascoal, Instituto Superior Técnico (PT)
Marco Lovera, Politécnico di Milano (IT)
Reza Moheimani, University of Dallas (USA)
Valentina Breschi, Eindhoven University of Technology (NL)

Call for Contributions, Invited Sessions, Discussion Contributions

Please submit:

- Regular contributions: Initial submissions should be a minimum of 4 pages and a maximum of 8 pages. However, final manuscripts must adhere to a strict 6-page limit to be included in the IFAC-PapersOnLine proceedings.
- Invited Sessions: Invited sessions consist of 5-6 papers, which should present a unifying theme from a diversity of viewpoints. Proposals must describe the motivation and relevance of the session.
- Discussion Contributions: Submissions are in the form of an extended abstract of at most 4 pages. Extended abstracts will NOT be included in the IFAC-PapersOnLine proceedings, but only in the preprints.
- Tutorial Sessions and Panel Discussions: Are submitted in the form of an extended abstract of at most 4 pages. If accepted the extended abstract will NOT be included in the IFAC-PapersOnLine proceedings, but only in the preprints.

Please submit your contributions via PaperCept at

<https://ifac.papercept.net/conferences/scripts/start.pl>.

Detailed instructions for submission are provided on the conference website: <https://conferences.ifac-control.org/rocond2025/>

The proceedings are to be available at IFAC-PaperOnLine®
